

# Low-voltage Battery

## ML Series

iBAT-M-5.32L

### High Performance

LFP prismatic battery cell, high safety

### small volum & High Capacity

Modular drawer style design,  
battery capacity 5.32kWh

### Easy to Install

Fool-proofing design, plug and play

### Long Service Life

10-year warranty, life cycles  $\geq 6000^*$

### High Safety & Reliable

With superior vehicle-level BMS, more reliable  
protection functions

### Flexiable Applications

Scalable to 21.28kWh/31.92kWh based on needs

### iCAB-M-4PC

Max. 4pcs -21.28kWh

### iCAB-M-6PC

Max. 6pcs-31.92kWh
